Morning strings is a fantastic introduction to music. Students can learn music at a young age, gain experience by playing and learning with a group, and make friendships that last throughout all their school years. Students will also have the opportunity to play in at least four concerts over the course of the school year. It is so much fun!

If there are any questions, please contact Addie at addie.tucker@washk12.org or at (435) 215 9203.
