Amanda Yardley is in charge of the curriculum and presentation. As a PTA, we are looking for donations or deals on hygiene items we can put in little kits for the kids to take home.

(Toothpaste, toothbrushes, sample size deodorant, pads for girls). The program will be in March. Questions about if parents can preview the curriculum prior to the presentation.

J. Nominating Committee-Kellie Esplin

The committee isn't ready to make nominations. Their nominations will go out on the GroupMe prior to our vote in March.

K. Region/State PTA Awards-Mauri Winder

We need to nominate one teacher or support staff, one volunteer, and one student for these awards. It was suggested we put together a google survey form for teachers to be able to nominate students. More details to come on GroupMe. Any nominations should be sent to Julie Grygla.

a. Volunteer Hours

Please turn in all volunteer hours from Nov 1-Jan 31.

L. Teacher Appreciation Week-Julie Grygla

Becki Baker will chair the committee. All of the TEMU credit has been used to buy items for this. Planning for April, possibly the week following Easter Break so volunteers have the Monday to set things up.

M. New Curriculum-Anastasia Shipman

Per the 7 year cycle and in accordance with the state updating and adopting new curriculum last year, it is time for the district to adopt new text books for Language Arts. Some concern was raised regarding the Amplify-CKLA option regarding social issues that may be required for teachers to address in the classroom. Issues that many parents believe may not be age appropriate and should be addressed in the home and not at school. There will be a public hearing on 2/13/24 at 4:45pm at the district office. Parents are encouraged to attend to share their opinions. Information can be found on the district website including a video for parents.
