- F. Internet Safety Week Recap-Avery Mortensen Laura Benson, a member of the Internet Safety Committee said there was a lot of parent involvement and went well. The biggest concern for this program next year is this is the last year the shirts will be donated so we need to plan our budget for this cost. A positive of having the shirts is the kids can wear them on spirit days and feel a part of it even if they haven't purchased school shirts. One idea is maybe to pay for shirts every other year for cost savings. Laura Warner will be the committee chair next year.
- G. Maturation Program-Donations We need someone to chair gathering the donations and also be in charge of refreshments and day of logistics. Angie Drake took charge of donations and Mauri Winder in charge of kits, refreshments, and day of help. School nurse is in charge of the program part.
